sport is an increasingly lucrative business presenting many commercial opportunities which need to be documented at each stage this title offers guidance on the legal considerations and

contractual arrangements required by companies involved in financing organising and sponsoring major sporting events

#### **publisher description**

the vast sums of money generated by sport worldwide have meant that the laws of economic competition as well as sporting competition have an important role to play in the organisation and regulation of the industry this book offers a comparative perspective on the economics of sport and highlights both the similarities and differences in the north american and european models of sport it tackles policy issues such as the organising financing and regulation of team sports alongside theoretical issues regarding income redistribution and competitive balance it also evaluates the impact of sport and sports events on local communities and the wider economy providing a useful contrast of methods and results on the two continents transatlantic sportwill be of great interest to sports economists but will also be of wider interest to scholars of competition and economics in general
